THE REPUBLIC OF SOUTH AFRICA

THE GENERAL ASSEMBLY,

- P1. *Observing* the pro-capitalist, pro-Western bias within multiple international organisations,
- P2. *Noting with objection* the disproportionate prosecution of African leaders in the ICC,
- P3. *Deploring* the continual Eurocentrism and anti-Eastern prejudice within the UN,

- O1. Urges UN members to consider their personal prejudices before participating in assemblies and debates,
- O2. Calls for the reform of the ICC to prevent further discrimination,
- O3. Requests that the Security Council considers sanctioning the illegal actions of the United States of America, such as their use of tariffs, and the bombing of Iran,
- O4. Reiterates the importance of eliminating pro-Western bias from the UN, to ensure fairness and encourage trust in international organisations.
