THE GENERAL ASSEMBLY,

P1. *Seeking* closer ties with supranational organisations such as NATO and the EU,
P2. *Acknowledging* the involvement of misinformation in the erosion of trust within
humanitarian organisations, hindering the distribution of aid to Ukraine,
P3. *Noting* the importance of clear communication to rebuild trust between
supranational institutions and the public,

O1. Emphasises the effects of the veto powers used by members of the UNSC to halt the
ICC in holding the aggressors of conflict accountable in the Russia-Ukraine conflict
and consequently delaying peace talks,
O2. Encourages supranational organisations to make information on their activities
readily available to the public and implementing clear procedures in order to
maintain a healthy communication and rebuild trust,
O3. Requests active involvement from Ukraine in decision making processes within
international organisations to ensure our perspectives are heard and
acknowledged.
