

The BIG BEAUTIFUL BIOLOGICAL WEAPONS BAN

Forum: DISARMAMENT AND INTERNATIONAL SECURITY

Date of inception: 30/06/2025

Submitter: REPUBLIC OF BELARUS

Co-submitters:

THE GENERAL ASSEMBLY #1,

- P1. *Recognising* that the effects of biological weapons are the indiscriminate and profound loss of often innocent human life,
- P2. *Having adopted* the belief that biological weapons are weapons of mass destruction,

- O1. Calls upon members of the United Nations to reaffirm their support and adherence the BTWC,
- O2. Requests members of the United Nations accused of developing biological weapons to permit inspections of their weapons arsenal,
- O3. Calls for the UN Security Council to authorize military intervention against any country known to be possessing biological weapons that refuses to surrender them.
